

**MIHILLS WEBB MEDICAL  
PREVENTATIVE PHYSICAL WAIVER**

Please read the following important information regarding preventative benefits, sign, and bring this form with you to your appointment.

Mihills Webb Medical does NOT verify benefits. It is your responsibility to know your plans coverage rules. In order to assist you with verifying your benefits we have listed below the procedures most commonly performed a physical exam in our office. You will be responsible for any charges not paid by your insurance.

We will perform the services listed below during your physical based on the commonly accepted medical guideline for age, gender, and personal or family history. Refusal of any recommended tests can result in the inability to properly diagnosis and treat you.

If any of your tests results come back abnormal Dr. Mihills and Dr. Webb will require a follow up appointment to discuss any diagnosis and treatment necessary. Most insurances cover your preventative services at 100%. The follow up appointment will be billed as a medical visit with the medical diagnosis found and this is not part of your preventative benefits.
